

# Summer Scholar Activity

Learning doesn't have to end when summer comes. It's a great time to expand and develop academic skills. Think of ways to celebrate, get curious, expand knowledge, and improve habits using this activity. Be a summer scholar!

**On a separate sheet of paper, take these five steps to end the semester strong and be on your way to an amazing summer:**

5	<b>Celebrate</b> your learning. List five things to celebrate about what you learned this year.	
4	<b>Explore</b> new interests. List four interests you'd like to explore this summer.	
3	<b>Read</b> for fun or to learn something new. List three books you'd like to read.	
2	<b>Improve</b> your existing skills and habits. List two things you'd like to improve.	
1	<b>Plan</b> for the future. Set one goal you'd like to work towards over the summer.
